

# Cranland fly-in breakfast – October 20

Five cadets and three seniors vanned over to Cranland to help provide safety at EAA Chapter 279's last breakfast fly in of the year. Everyone got a free hearty breakfast of pancakes, eggs and sausage, plus a choice of beverage.

All the cadets got rides in planes, some took multiple rides, including three in the HeliOps 'copter. The EAA chapter gave us a plaque to thank us for helping all year. There was even a little R/C flying. Ask Kelley how that turned out. Everyone is looking forward to next April 20<sup>th</sup>, when the 2014 season starts. That's Kelley pictured in the front seat of the Pitts at left.
