

Wreaths Across America

10 cadets and seniors from Pilgrim joined with CAP members from Brockton and Coastal Base 18, the American Legion and several other groups and individuals placing wreaths on the graves of soldiers and sailors after a ceremony at the Bourne National Cemetery. Although the weather was quite cold and windy, there always is a warm feeling to participating in this very patriotic activity.

Cadets clean leaves off graves before placing the wreath, then offer a salute.

A portion of the Patriot Riders displaying their flags.

Cadets and senior members listen to the speakers.
